JOIN OUR TEAM! NOW HIRING: DANCE INSTRUCTORS

WHO WE ARE

Christian Dance Alliance is an educational dance ministry located in Cincinnati, Ohio. Since 2012, we have been providing quality, age-appropriate dance instruction in a Christian environment at our non-competitive dance studio. CDA offers classes in creative movement, ballet, pointe, jazz, lyrical, contemporary, hip-hop, dance conditioning, gross motor skills development and Christian worship dance.

All classes are taught in a Christ-centered environment, with family-friendly and God-honoring music, movements and costumes. Our curriculum integrates classical dance technique with Scripture, contemporary Christian and classical music, choreographed routines as well as improvised and creative movement. In addition to dance classes, we offer several performing ministries.

Our students range in age from 3 to 18. Classes are primarily held during the week (morning, afternoon and evenings) while our performing ministries rehearse on Saturday mornings. Our studio season culminates in an annual Spring Production. Our performing ministries also present a Christmas program. Christian Dance Alliance is a 501(c)3 non-profit organization.
