

christian
DANCE ALLIANCE
WELLNESS PROTOCOL

REV. 2021 08 15, EFFECTIVE 2021 08 15, SUBJECT TO CHANGE

The following practices will be in place and executed at CDA until further notice:

- **Class Sizes**
 - Class sizes will be capped based on room capacity. Most classes are capped at 10 students.
 - For a majority of class time, students will be naturally socially distant due to the nature of classroom activity.
- **Masks**
 - Masks are not required, but are optional for students and instructors.
 - If you are more comfortable with your child wearing a mask, please have her do so.
 - A few mask-required classes may be offered.
- **Hand sanitizing or washing**
 - Students and instructors will sanitize or wash hands immediately before and after each class.
 - Students and instructors will sanitize or wash hands anytime there is contact with bodily fluid (for example, nose blowing).
- **Shared equipment**
 - Any shared equipment such as ballet barres will be sanitized before and after each class.
 - Props that cannot be sanitized will not be used.
- **Wellness policy and Covid-19 waiver**
 - Our Wellness Policy and Covid-19 Waiver outline attendance/quarantine expectations.
 - No students should attend class if they are ill.
 - Guardians must agree to this policy and sign the waiver during the registration process.
- **Other items**
 - Water bottles must be clearly labeled with the dancer's name, and will be kept near the dancer during class. As always, no food may be brought into the studios.
- **Drop Off / Pick Up Procedures:**
 - Please plan to arrive about 10 minutes prior to the start of class to allow time to prepare for class (get dance shoes on, use the restroom, wash hands, older students warm up/stretch).
 - Park and escort your child into the Five Seasons Facility. Older students may be dropped off at the front entrance under the portico. Please do not block the traffic flow or leave your vehicle unattended.
 - Escort your child to her dance studio.
 - Student's hands will be sanitized. If parent prefers no sanitizer, parent can supervise thorough hand washing in the closest restroom.
 - Parents may stay onsite during class, but are not required to stay. If you are in the waiting areas, please be respectful to the other Five Season patrons and clean up after yourselves and your children.
 - Students should be picked up promptly at the conclusion of class.
