How do I know which class is right for my child?

Our goal in placing children in dance classes is to have every child in an age-appropriate and technically-appropriate level class where they will be comfortable but also challenged.

Age is the first criteria for class registration. If your child is **age 3-7**, she/he will be eligible for summer camps. See page 2.

Technical ability is the second criteria for class registration. If your child is age 8+ and would like to enroll in our **Preparatory Division Summer Classes** (Age 8+, Level 1+), a placement evaluation is REQUIRED for new students. This evaluation is simply your child taking a class so our instructors can determine the appropriate level. To register for a placement class, please contact info@christiandancealliance.com.

Current Preparatory Division students, please register for summer classes based on your Spring 2025 level. **Current Recreational Students**, please email info@christiandancealliance.com for placement info.

Please keep in mind that it is normal and not unusual for a dancer to repeat the same level for more than one year.

What classes is my child required to take?

For our **Preparatory Division** dancers in Level 2+ are expected to take summer classes. Though they are not necessarily required, summer classes are *very strongly encouraged*. Failure to take summer classes will result in 1) loss of technique, strength, and flexibility; 2) not progressing at rate of peers; 3) reduction in likelihood of moving up to the next level. Please refer to these recommendations for the number of classes:

Level 1 – 1 class per week

Level 2 – 1 ballet and 1 other discipline (modern or jazz or contemporary) per week (2 ballet and 2 other disciplines encouraged). Conditioning and worship strongly encouraged.

Level 3 – 2 ballet and 2 other disciplines (modern or jazz or contemporary) per week. If starting pointe, 2 ballet classes plus the Wednesday pointe class are required. Conditioning and worship strongly encouraged.

Level 4/5/6 - 2 ballet and 2 other disciplines (modern or contemporary) per week (3 ballet and 3 other disciplines encouraged especially for Level 6). If continuing pointe, 2 ballet classes plus the Wednesday pointe class are required. Conditioning and worship strongly encouraged.
